Peter Ostrower

Wednesday Sept 9th 2009
Night club Campus Center @ 7:00 pm

The Global Awareness Roundtable is a monthly event designed to introduce the Alfred community to a variety of cultures from around the world. This informal gathering gives our international faculty, students and alumni the opportunity to introduce participants to countries as diverse as Japan, Guatemala and Tunisia. Students who have lived, studied or worked abroad also share their experiences and observations. Presentations cover a wide range of topics including history, traditions, art, music and food. If you are interested in participating or have any questions please contact Zakia Robana @ 871-2880

Alfred native Pete Ostrower will share photos and stories of his work as an environmental health Peace Corps volunteer in Panama, where he lived in a 300 person agricultural community in the muddy hills of a deforested jungle without electricity.
