

Clemens competes at NCAA Division III Championship

11/18/06

West Chester, OH Freshman McKenzie Clemens (Lowville, NY/Lowville), Alfred University's lone runner in Saturday's NCAA Division III women's cross-country Championship meet at Wilmington College, finished the six-kilometer course in a time of 25:09, good enough for 122nd out of 279 runners. Clemens is only the second AU women's runner to compete in the NCAA championships. The other was Anne Gutmann, a 2001 AU graduate who finished sixth in the NCAA Atlantic Regional meet as a freshman in 1997.
