### **Internet Bandwidth To Increase This Weekend!**

Through conversations with our current Internet Service Provider, ITS has negotiated a significant increase in our Internet Bandwidth through the end of the semester. We expect that this additional bandwidth, along with our recent hardware upgrade, will alleviate our bandwidth issues.

If all goes as planned, we will see another increase in our Internet Bandwidth when we begin utilizing another service provider at the end of the semester.

In order to facilitate this bandwidth upgrade, there will be an Internet outage for a number of hours starting at 5 pm Friday, September 16.

We appreciate patience as we work through this upgrade.

### 'The Belle of Amherst' in Angelica

The Angelica Players will present a one-night performance of "The Belle of Amherst" by William Luce on Friday, Sept. 23 at 7 p.m. at the Angelica Free Library.

The Belle of Amherst delicately explores the life of America's greatest woman poet at various stages in her experience from the age of 15, when she was full of hope and success, until she died at 56, a virtual recluse with her door closed against society. Her life is recreated with liberal excerpts from her poetry and by the method of her playing the roles of her father, teacher and friends.

The evening's performance features the talents of Annie Wright, veteran community theater actress of Warsaw. The production is directed by Wright's theater colleague and peer, Mary Eckstein.

Tickets are \$4 and can be purchased at the door or in advance at The Angelica Sweet Shop, by e-mailing [info@angelicaplayers.com](mailto:info@angelicaplayers.com), or calling 585.466.3787.
