Cast your vote on a logo for Saxon Athletics!

Alfred University is one of the few schools among our athletics competition that does not have a special "look" for our athletics programs. At the request of students, we've developed some sketches of possible logos. Tell us which you like best.

AU's newest Web cam sends "Saxon Smiles." Students can wave to their parents or friends. Alumni can send greetings, and YOU can see what's happening inside Powell Campus Center.

ACT Bus Survey Results & New HAT Bus Info - Barb Davis

County Legislator William Hall has contacted me with great news! The Transportation Task Force has met and will be working with ACT to create a more conducive bus schedule/options. Their work is continuing and it is hopeful to have something proposed by the end of August.

For those of you who were/may be interested in riding the HAT bus - do not lose hope yet! Legislator Hall has also spoken with a HAT representative on the task force whom expressed interest in meeting with folks from AU and ASC to discuss interest and possibilities.

Keep watch of the "Announce" for a soon-to-be-scheduled meeting for all those interested in riding either the ACT or the HAT buses. Be sure to have your voice heard and your vote counted.

Note: I had a total of 72 responses to the ACT bus survey. THANK YOU to all who responded; action is being taken! (Thank you Legislator Hall!)
