Notice to All Hourly Paid Employees (including Students) and Supervisors

Discontinuation of Paper Time Sheets

Effective Aug. 1, 2013, the Payroll Department will no longer accept paper time sheets from hourly employees (including students). Therefore, all time must be recorded on Banner Web in the prescribed manner.

Employees must submit their time electronically for their supervisor to approve no later than midnight on the Wednesday following the end of a pay period. Occasionally, due to Holidays, an early deadline may be imposed but will always be preceded by an announcement in Alfred Today.

Failure to submit time electronically will result in a delay of payment and will require the supervisor to

prepare and personally deliver a paper time record to the payroll department, with the employee's signature certifying the accuracy of the time worked. Paper records will not be accepted from anyone other than the employee's supervisor. Those who habitually fail to record their time using Banner Web will be contacted by the Director of Human Resources.

SafeZone Train-the-Trainer Workshop - Rochester

Gay Alliance Offers SafeZone Train-the-Trainer Certification Program

The Gay Alliance has received numerous requests for our SafeZone Train-the-Trainer Workshop from colleges and organizations in New York State as well as from around the country.

Jeanne Gainsburg, Gay Alliance Outreach Coordinator, and Scott Fearing, Gay Alliance Executive Director, join forces to bring you this fast-paced, dynamic, and informational training. Jeanne and Scott have worked together for seven years, building the successful Gay Alliance Education Programs, including our SafeZone Training. Last year the Gay Alliance ran nearly 50 SafeZone trainings as part of our almost 200 presentations.

The workshop will take place on Friday, Oct. 25 at the Red Cross (50 Prince St.) in Rochester from 9 a.m.-5:30 p.m. This is a full-day program created to develop confident, knowledgeable and effective SafeZone trainers who can develop and maintain sustainable SafeZone Programs on college campuses and in workplaces to create environments that are culturally competent and supportive to LGBT individuals.

The SafeZone Train-the-Trainer Certification Program is an interactive course, which includes activities,

small group discussions, and opportunities for practicing skills as educators.

Topics covered include:

- * Educational Philosophy and How We Learn
- * Suggested Exercises for Increasing Knowledge
- * Suggested Exercises for Taking Action
- * Encouraging Dialogue
- * Empowering the Straight/Cisgender Ally
- * Answering Questions Effectively
- * Tips For Successful Trainings
- * Creating Sustainable SafeZone Programs on Campus and in the Workplace

During this course, participants will be coached in running SafeZone trainings and offered opportunities to ask and answer questions in a supportive environment using the teaching skills that they acquire. Each participant will receive a SafeZone Training manual that will provide a complete course guide for running SafeZone Trainings, a review of material from the course, additional reading to extend knowledge, handouts to use in future SafeZone Trainings and a certificate of course completion.

On-going support will be available to all participants through the Gay Alliance following the presentation to offer assistance and suggestions for keeping programs fresh and up-to-date.

Registration fee is \$125, which includes lunch and a SafeZone Training manual. Please register online at: <http://goo.gl/9CX7up>. ASL interpretation available if requested before Sept. 30.
