

Catharine I take this for my
Opportunity to write to you to
let you know that I have not
forgotten you I am well and hope
thes few lines will finde you enjoy-
ing the same blessing Daniel is
geting fat as a bair and I fat some
too. Marty Thayer was down here
the other day to ask us if we had
heard the News from Allegany
we told him we had not he said
Caroline Travis and Joseph Babbit
Babbit was married and then
his vois began to tremble and
he said Eesster Shall was
married to. I cannot think of
the mans name that he said but
it was some thing like Fisher
Weaver Sawyer he said it was
so for Caroline wrote it to him
her self and I thought if it
was so that I had gone up salt
river for Martin

unless I take one of these down
here I want you to write
and tell me if it is so for it
would be cheaper to come up
there and get her than to take
one here and bear her transpor-
tation home so no more at pres-
ent write soon as you get this
