CommUnity Hour - 'The New Black' Documentary

Date: Friday, Feb. 7

Time: 3:30 - 4:50 P.M.

Place: Institute for Cultural Unity, 1st Floor, PCC

About "The New Black":

"The New Black" is a documentary that tells the story of how the African-American community is grappling with the gay rights issue in light of the recent gay marriage movement and the fight over civil rights. The film documents activists, families and clergy on both sides of the campaign to legalize gay marriage and examines homophobia in the black community's institutional pillar-the black church and reveals the Christian right wing's strategy of exploiting this phenomenon in order to pursue an anti-gay political agenda.

"The New Black" takes viewers into the pews and onto the streets and provides a seat at the kitchen table as it tells the story of the historic fight to win marriage equality in Maryland and charts the evolution of this divisive issue within the black community.

Can You Help Us Help Others?

The Alzheimer's Glass and Iron Project has been invited to present a panel at the 7th International Contemporary Cast Iron Arts conference in Pedvale, Latvia this summer.

An invitation to speak at this event is a great honor and we're thrilled to have been asked to attend. For the Alzheimer's Glass and Iron Project, it is an opportunity to expand our reach globally. This is a vital and important part of our mission.

Alzheimer's and Dementia know no boundaries and effect millions of individuals the world over. Care and research in the United States represents some of the best anywhere. We want to spread our love for the suffering, our gratitude for the caregivers, our message that research is imperative and our belief that together a cure can be found. We do this using art as a conduit and unifying language.

We need to raise funds so that our projects directors (Rosemarie Oakman, Haley Jelinek, and Elise Betrus) will be able to travel to and attend the conference. We hope that by reaching out to you we will be able to reach out to others this summer in Latvia.

If you can help us with funding or if you would like to learn more about our project, please email the Alzheimer's Glass and Iron Project. golden@alfred.edugolden@alfred.edu >

Many thanks & peace to you.

Alfred Montessori School Spring Art Auction

Alfred Montessori, a little school with a big heart, is planning an art auction for Saturday, April 5, 2014 to help raise funds for a community project.

Artists of local and national acclaim have already committed to donate pieces for the event, which will be held from 10 a.m. until 1 p.m. at the Alfred Village Hall.

One can expect to bid on ceramic, glass, sculptural and functional pieces by artists including Angus Powers, Amy Powers, Betsy Kent, Steve Edwards, Matt Metz, Linda Sikora, Mike Griffin, Kristin Buchholz, Angie To, Sarah Powers, J. Michael Powers, Robin Howard, Pat Edwards, Marcia Lichtman, Randi Fridmann, Katie Greene, and many more.

Tickets will be \$15 each or 2 for \$25, and will be available beginning Friday, Feb. 21. Admission includes brunch appetizers, beverages, and live music for the first hour, with child care available at the Montessori School for a nominal fee.

For more information, to purchase tickets, or make a donation, call Carman Banzaca, Montessori School Director, at 607.587.9334, or visit www.alfredmontessori.com.

Funds raised by the auction will help renovate and improve the Mike Kenyon community playground in Alfred, a cause that will benefit all of the children in the community. Twenty years ago, the community rallied to create the existing playground and the time has come to update the structure. We have consulted the original playground designers for direction as we plan renovations.
