IN ANSWERING REFER TO No. _____

DEPARTMENT OF THE INTERIOR
BUREAU OF MINES
MINING EXPERIMENT STATION
COLUMBUS, OHIO, August 13, 1921

Professor Chalres F. Binns, Director,
Alfred, New York

My dear Professor Binns:

I have arranged [typo typed over, looks like arrahged] to have the bill for the dissociation tube transferred from the account of The New YorkState School of Ceramics to that of the Bureau of Mines.

You will be glad to hear and know [typo typed over, jo then know on top] that we have found a pleasant place to live and that we are re-serving a room for Nora's [typo typed over, Nors then Nora's typed over top] use.

Very truly yours
G.A.Bole
