

## **Global Awareness Roundtable panel to discuss Argentina**

3/16/05

The focus of this month's Global Awareness Roundtable at Alfred University is Argentina. Speakers will include Cecilia Uthurry, a Fulbright Scholar who is teaching Spanish at AU this year and overseeing the Language House; Dr. Ariana Huberman, assistant professor of Spanish; and Ben Shankland, a senior philosophy major from Yarmouth, ME. This month's Global Awareness Roundtable will be held at 7 p.m. Monday, March 21, in the Knight Club, Powell Campus Center. It is open to the public, free of charge. The Global Awareness Roundtable, held monthly during the academic year, is designed to introduce the Alfred community to a variety of cultures from around the world. The informal gathering gives international faculty, students and alumni an opportunity to introduce participants to countries as diverse as Japan, Guatemala and Tunisia. Students who have lived, studied or worked abroad also share their experiences and observations.
