Wow, how fast did this year go? I can't believe we are issuing our last e-newsletter of the 2018-2019 academic year! First, I want to say congratulations to our parents of our graduating seniors and graduate students. What an awesome accomplishment for all and I look forward to seeing you at Commencement on Saturday, May 18, 2019. Secondly, I hope you've enjoyed our e-newsletters. We will continue to send them so if there is anything you'd like more information on or would like to see, please contact me (dunganbj@alfred.edu). We are always looking for ways to improve communication with our parents – this is for your so please keep me posted on your ideas and information you'd like made available to you as we compile news from across campus. As a reminder, for any of the articles, just click on the headlines and it will take you to the complete article. Until next fall, I hope you all have a wonderful spring and summer!
