June 22/

Prof. C. F. Binns

Director NY Clay Working School

Alfred NY

Dear Sir

will you kindly give
me particulars of your
school, - terms, etc, - and if
instruction may be had
during July and August.

My wife and young daughter
have become interested in the
work, during the post winter,
and I should like to know
what accommodations they
might secure in Alfred, in
case your work is carried

on during the summer months

I am [writing] at the
suggestion of Mrs. Osgood, who
is connected with the
Howe-Marat School here.

Yours Very Truly
Gridley Adams
