### Be Considerate: Winter Parking on Campus

Once again winter has found Alfred and with that the parking problems that go along with it. I would like to ask everyone parking a vehicle on campus to park in an orderly fashion. A number of vehicles have been taking more than one space causing a bad situation. Please, when you're parking your vehicle think of the others that need to park with you. Thank you for your cooperation.

### Adirondack Chair Project

Stealing an idea from Hammondspoint the Music on the Lawn Committee, Wellsville, has come up with an interesting way to raise funds for this season's concert series - the Adirondack Chair Project.

Students in the Busy Bee woodworking program at Keshequa Central School in Nunda have made 16 modified Adirondack chairs for MOTL. The thought is to have local artists paint scenes on the chairs or cover the chair in a theme. The chairs will then be displayed in Main Street windows during May and part of June.

At a special MOTL Event in June local auctioneer Scott Burt, who teaches the Busy Bees, is donating his talent to auction the chairs.

"We're hoping to raise a significant amount of money for MOTL. This year's series will cost over \$4,000," said Kathryn Ross chairman of MOTL and we hope businesses and the public will support us and attend the auction. "

Currently six more display sites and 12 volunteer artists are needed. Any business interested in displaying a chair from May until mid-June or any artists who would like to help support MOTL please contact Kathryn at 585.610.5343, or 585.808.3243.

Both the name of the artist and the craftsman will be displayed on each chair and in a booklet authenticating the MOTL Adirondack Chair Project will include an artist's bio and contact information along with photos of the chair, craftsman and artist.
