

Alfred University to host Red Cross blood drive

1/26/15

On Thursday, Jan. 29 Alfred University will host a blood drive from 11:30 a.m. to 5 p.m. in the Knight Club, Powell Campus Center. The drive is sponsored by the Biology Club, AU Naturales, and the student chapter of the AMA (American Marketing Association). Each donor will receive a \$5 Dunkin Donuts gift card.

Appointments are appreciated; however, walk-ins are also welcome. To set up an appointment, visit the “Donate Blood” link at www.redcross.org and enter “14802” in the zip code search box. Donations typically take between an hour and 75 minutes. Donors are encouraged to drink plenty of fluids and eat iron-rich foods on donation day, wear comfortable clothing with sleeves that are easily rolled up, and bring a list of prescription/over-the-counter medications that they are currently taking or could be in their system. Students should also bring their student ID.

For more information, or to volunteer at the drive, please contact studentaffairs@alfred.edu.
